Tues. Sept 17	Polo Grounds
Thurs. 19	Newark

If any more games are necessary we will return to Newark to play them.

We are planning to fly instead of using a bus.

Let me hear from you as soon as possible if you can arrange to be with us.

You might be interested to hear, Isreal had a perfect day in the game in Newark last Wednesday. He handeled all chances perfectly, and got on every time up. I know hw must have been a little nervous, but he came through in fine style.

I will be looking to hear from you.

Very Truly Yours
